## SUMMARY

I am a recent graduate with a degree in Management Information Systems from Lebanese University, equipped with a strong foundation in HTML, CSS, JavaScript, and PHP. My academic background includes a comprehensive understanding of MIS principles, database management, and business analytics. I am eager to apply my technical skills and business acumen to contribute effectively in a dynamic professional environment. Open to opportunities that allow me to blend creativity and problem-solving to drive innovation.

## EDUCATION

Bachelor in Management Of information System

Lebanese University

2020 - 2023

Diploma in Life Science

Sohmore HighSchool

2019 - 2020

## PROJECTS

Online Academic Registration

2023 - Present

I designed and implemented an online academic registration system, enabling administrators to manage users and courses, teachers to assign grades, and students to access course details and grades.

- Excelled in the coursework, achieving high academic performance in the MIS program
